Sotheby's
INTERNATIONAL REALTY

ON TOP OF THE WORLD

\$1,999,999

750 Providence Ridge | Crested Butte | CO | 81224

Views of a lifetime, the top of Wildcat, 320 degree views, bordering National Forest and all the way to Baxter's Gulch.

Luxury at the finest levels.

Two junior master bedrooms plus the master with it's own fireplace and sitting area, the media room with movie theatre will amaze the most tech savvy experts, large family/entertainment area plus the great room with 20 foot vaulted ceilings a 3rd fireplace two dining areas and gourmet's kitchen.

When you stand in the great room the views are to Marcellina on the West and to Round Mountain on the East.

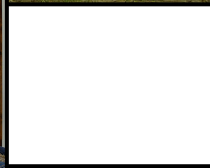

The patio/fire pit boasts a sound system, large hot tub, large grill and of course the fire pit.

All beautifully furnished and appointed.

Truly a unique location and an outstanding home.
